CQC Style Inspections & Assessments

If your service has an established governance system, then our CQC style inspections and assessment service could be valuable. It helps uncover any overlooked areas of concern, enhancing your chances of achieving your desired outcome during your next CQC inspection or assessment. Our service completely aligns with the new single assessment framework.

Service	Price (VAT included)
Virtual Quality Statement Assessment Our comprehensive service employs the single assessment framework methodology to simulate a CQC assessment. You can select a quality statement for evaluation. We conduct evidence reviews and staff interviews, resulting in an easy-to-read report that highlights areas for improvement and ensures compliance.	Starting from £720
Virtual Key Question Assessment Our comprehensive service employs the single assessment framework methodology to simulate a CQC assessment for an entire Key Question inclusive of all quality statements. We conduct evidence reviews and staff interviews, resulting in an easy-to-read report that highlights areas for improvement and ensures compliance.	Starting from £1500
On-site CQC Inspection Our comprehensive on-site inspection mirrors the CQC process, providing valuable insights. We deliver an easy-to-read report, highlighting areas for improvement and ensuring compliance.	Starting from £3600
On-site CQC Inspection with CQC Style Report We employ the CQC methodology during inspections and simulate post-inspection processes to assess your team. Our comprehensive CQC-style report offers insights into how your service would fair under an actual inspection.	Starting from £4800
